

Our ref. PKY/PAR

September 2010

Dear Parent/Carer

The Kingstone School, in partnership with South Yorkshire Public Transport Executive, aims to promote and encourage good behaviour, and a safe environment for our pupils who travel on buses. Our collaborative work to date has been very successful. In the interests of all concerned, we ask for parents/carers to help by encouraging their sons/daughters to comply with the health and safety rules that already apply.

I understand that on a morning some of the service buses are full and as a consequence a number of pupils have been refused access. Could you please be aware that the school is not responsible for the provision of school transport or the morning/evening travel arrangements for pupils. What we can assure you is that we are monitoring the situation, making representation to the relevant bodies and will do what we possibly can to support you getting your child to and from school.

All pupils who travel to and from school on buses must now use school Boarding Passes. (All buses leave school at 14:50)

If the boarding pass is not shown, pupils **will not** be allowed onto the bus. In certain circumstances these passes may be taken from pupils, preventing them from using the school buses. If you would like your child to be issued with a boarding pass, please complete and return the Reply Slip below to Pupil Point, South Building. **N.B. The pass will not guarantee a seat on the bus if it is full.**

481 Ward Green – Worsborough Common – School Operated by Tates Travel – 01226 205800
