18th November, 2011

Dear Parent/Carer,

**HORIZON COMMUNITY COLLEGE PRESENTATION EVENING
FOR PARENTS OF YEARS 8, 9 AND 10 PUPILS**

We would like to invite you and your child to a **Presentation Evening** taking place in Kingstone School's South Hall on **Wednesday 7th December** for the new Horizon Community College. **The presentation for Years 8 and 9 will run from 6:00 pm and the presentation for Year 10 will run from 7.15 pm**, and will give you the opportunity to find out how one of the UK's most exciting educational developments can support your child's future.

Key to the evening will be a presentation by Nick Bowen, the Principal Designate who will explain how Horizon Community College will build upon the strengths and successes of Holgate and Kingstone Schools, to provide the very best education which our community deserves.

We do hope you will be able to attend our presentation evening and find out as much as possible about Horizon Community College.

Yours sincerely,

I. Ellam
